

## Playdough Recipe

4 cups flour  
4 tsp cream of tartar  
2 cups salt  
4 cups water/color added  
¼ cup oil

### Instructions

- **In a saucepan mix together dry ingredients,** slowly add in wet ingredients
- **Cook over medium heat,** stirring until a ball forms. It will look gooey at first and can take up to 5-6 minutes depending on the heat
- **Remove from the pan** and knead until cool and smooth

### Notes

- Please make a new batch at least every 2 weeks for sanitary reasons
- This is a double batch recipe which is necessary for preschool
- Feel free to use your own tried and true recipe; just make sure it's a double batch
- Any color is fine unless you are given a specific request. You can also add a scent if you like
