The **Extended Day Program** is run as **a drop off afternoon care program** which **does not require** parent participation. The program offers children the opportunity to engage in an afternoon of enriching outdoor play at our beautiful 8th Street site. This program follows the routine and philosophy demonstrated by the other DPNS programs in a flexible setting. The number of children enrolled can be up to 24 if there are four teachers and 18 if there are three. DPNS is affiliated with the Davis Joint Unified School District and follows the DJUSD calendar.

Extended Day serves children with a minimum age of 3 years 6 months at enrollment and 5 years and 11 months as of August 31st for the year of enrollment*. Children must be potty trained. Families must provide their child with lunch and/or snack.
